1 Introduction

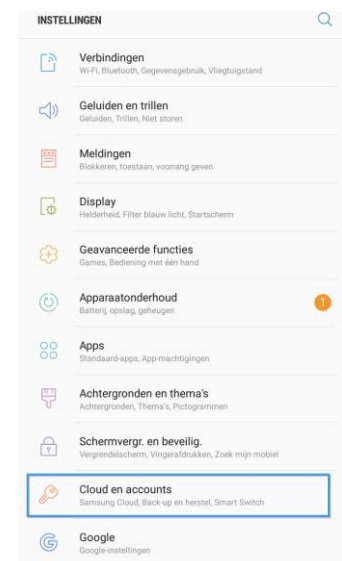

This manual describes how you can sync your NDI Remote Office mail and agenda with your Android device. This manual applies to all models on the latest software versions.

2 User manual

- Choose 'Settings'

- Scroll down and select 'Accounts'.

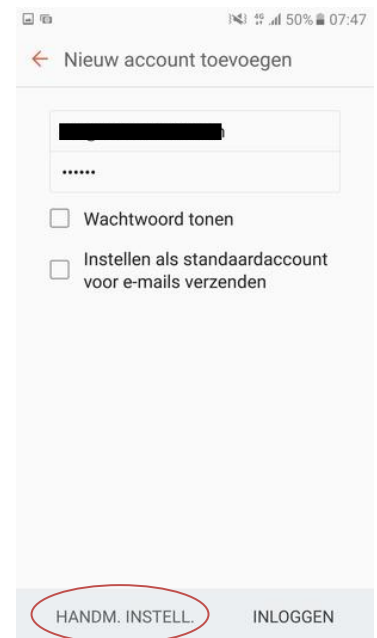

- Choose 'Accounts'.

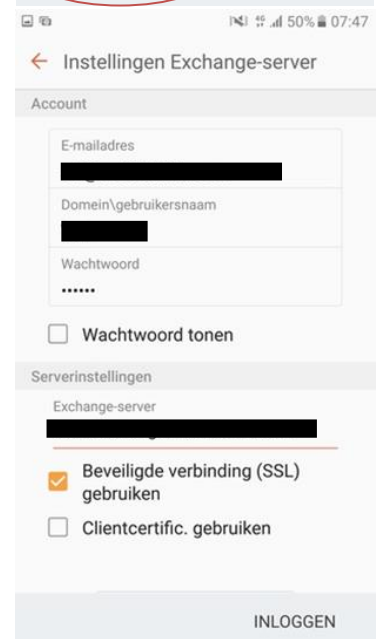

- Choose 'E-mail'.

- Select “configure manually”.

- Enter your e-mail and password.
Enter 'ndims' followed by a '\' and then your username.
Enter mail.ndiro.nl in server.
Leave the port number as is.
Click on login.

- Select what you want to sync with your Android device.

You have now successfully synced your e-mail. For any other questions please contact the Servicedesk at 088 088 4321 or via e-mail at servicedesk@ndi.nl.
